General *(continued)***Objective**

Statutory objective of the organisation.
What does the organisation seek to achieve?

The organisations objective is to raise funds for the clearance of landmines and unexploded ordnance in conflict affected communities worldwide.

Outline of the policy plan

Please answer the questions below or fill in the URL to the policy plan after the last question about the policy plan.

This online policy plan should at least provide answers to the questions about the policy plan asked here

What are the institution's activities?
When are which activities to be carried out? And how do the activities contribute to achieving the organisation's objective?

Stichting HALO Trust Europe undertakes fundraising activities and subsequently provides sub-grants to locally registered non-profit HALO organisations for the clearance of landmines and unexploded ordnance. The Stichting represents these organisations to the donor community in Europe, including to individual donor countries as well as to European institutions such as the European Union.

How does the organisation generate income or revenue?

The organisation develops and maintains its relationship to donor organisations and bids for available funding for which it meets the eligibility criteria.

How and for what purposes are the revenues spent?
If your organisation holds capital, please fill in here where and how this capital is held (e.g. savings account, investments, etc.)

Revenues are spent on the provision of subgrants to locally registered HALO organisations, less any contributions towards the running costs of the Stichting.
